# Introduction to Business Contracts: A Practical Guide

REF: U287 DATE: 29 July - 2 August 2024 Venue: Munich (Germany) - Fee: 5940 Euro

## Introduction:

A failure to fully understand all risk related items in a contract can result in lost opportunities and costly disputes. This program is a practical guide to contract law for business.

By focusing on pricing and key commercial terms alone companies frequently fail to maximize the value of contracts. This training will provide attendees with an understanding of the law and practice related to the risks inherent in the formation and management of contracts. Through analysis of key contract provisions and real-life examples, the program demonstrates how to manage contract risk effectively and to ensure contract negotiations and performance occur quickly and efficiently.

## Course Objectives:

At the end of this course the participants will be able to:

- Enable more effective control of the contracting process
- Provide an understanding of the law and practice of the risks inherent in the formation and management of contracts.
- Analyze key contract provisions, provide instruction on how to manage contract risk effectively
- Identify essential contract clauses and understand the specific terms and conditions.
- Negotiate an effective contract to protect their corporation's interests.
- Identify where things can go wrong, and learn how to avoid problems, or mitigate their effects through well-drafted contracts and good management.
- Understand how to avoid disputes but be prepared to deal with them if they arise.
