Facilities Management

REF: M3 DATE: 25 - 29 November 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

Introduction:

This training program provides participants with the essential skills and knowledge needed to oversee and maintain the physical infrastructure of an organization. Through hands-on learning and theoretical instruction, participants learn to enhance efficiency, reduce costs, and ensure the smooth functioning of facilities.

Program Objectives:

At the end of this program, the participants will be able to:

- Evaluate the current state of the delegates' facilities management process.
- Understand the need for a proper operational & maintenance control center.
- Learn how to draw up a preventive maintenance concept, based on risk.
- Improve strategies to decide when and what to contract out.
- Accomplish an outsourcing strategy which helps you in realizing better results.
- Learn how to monitor performance and results.
- Understand how to operate and maintain their facilities as a "business within a business".
- Learn how to be able to share experience and knowledge with others.

Targeted Audience:

- Facilities managers.
- Building managers.
- Risk department.
- Administration department.
