Organizational Negotiation and Conflict Management

REF: M109 DATE: 5 - 9 August 2024 Venue: Rome (Italy) - Fee: 5940 Euro

Introduction:

This training program provides both a comprehensive strategic analysis of the negotiation process as well as the essential tools for planning and managing every negotiation. Participants will learn to negotiate excellent outcomes both externally with suppliers, contractors, and customers but also internally within your organization between colleagues, departments, and managers.

Program Objectives:

At the end of this program, the participants will be able to:

- Gain self-awareness of their negotiation and conflict management style.
- Understand the key analysis of the negotiation and conflict process.
- Learn how to achieve collaborative value-adding negotiation results.
- Expand their range of negotiating skills and strategies.
- Build on their existing experience and skill to become a highly effective negotiator and conflict manager.
- Improve the ability to negotiate and manage difficult situations effectively both internally within the organization and externally with third parties.
- Improve management and leadership skills through an understanding of the value of protecting key relationships whilst maximizing negotiated outcomes.
- Enhance vital leadership, management and personal skills that will impact on their performance across all aspects of their professional lives.
- Enhance the ability to negotiate outcomes that meet or exceed organizational goals.

Targeted Audience:

- Executives, managers, and team leaders responsible for resolving conflicts and negotiating agreements within their organizations.
- HR professionals seeking to enhance their skills in managing organizational conflicts and negotiations.
- Professionals involved in cross-functional teams or interdepartmental collaborations.
