# Mastering Professional Tax Auditing

REF: TR1925 DATE: 20 - 31 May 2024 Venue: London (UK) - Landmark Office Space Fee: 7950 Euro

## Introduction:

The Mastering Professional Tax Auditing training program provides advanced skills and knowledge in tax auditing through comprehensive instruction and practical exercises. Tailored for professionals, it equips participants to navigate complex tax laws, conduct thorough audits, and identify areas of non-compliance, enhancing their expertise in taxation.

## Program Objectives:

At the end of this program, the participants will learn about:

- Study the idea of and procedures for preparing for a tax audit to understand taxation's purpose and usage.
- Determine the circumstances necessitating tax reports and audits.
- Recognize tax independence and its application in relevant situations.
- Understand the primary objective of tax audits and their technological implications.
- Explore parallels and distinctions between tax audits and other audit types.
- Identify the optimal timing for tax audit readiness.
- Differentiate between government, not-for-profit, and standard tax audits while learning audit execution and corrective measures.

## Targeted Audience:

- Tax payers, advisors, consultants and enforcement agencies.
- Fiscal auditors.
- Legal advice and attorneys.
- General tax professionals.
- Tax experts working for advising firms.
- Novices in the trade and commercial industries.
- Government employees.
- Internal tax managers or directors.
- Monetary analysts.
