ISO/IEC 20000-1:2018 Internal Auditor

REF: A1623 DATE: 20 - 24 May 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction

Course Aim: To provide guidance and practical experience in planning, executing, reporting and audit follow-up of an internal audit in accordance with ISO 19011:2011, when monitoring the effectiveness and conformity of a service management system SMS based on ISO/IEC 20000-1:2018.

Course Description: ISO/IEC 20000-1:2018 specifies requirements for an organization to establish, implement, maintain and continually improve an SMS. The requirements include the planning, design, transition, delivery and improvement of services to meet the service requirements and deliver value for customers, users and the organization delivering the services.

An internal audit is an essential element of an effective SMS, and by attending this course you will develop the auditing skills to help improve your organization's SMS performance.

You will learn how to assess and report on the conformity and effectiveness of an SMS based on ISO/IEC 20000-1:2018. You will also gain the skills to initiate an audit, prepare and conduct audit activities, compile and distribute audit reports and complete follow-up activities.

Course Objective

At the end of this course, the participants will be able to:

- Develop internal auditing expertise to add value to the internal auditing process
- Support the delivery of high quality services in your organization through the operation of an effective SMS that conforms to ISO/IEC 20000-1:2018
- Prepare for second and third-party audits associated with the organization's SMS
- Who should attend?

Targeted Audience:

The course is aimed at anyone involved in auditing, maintaining or supervising an SMS based on ISO/IEC 20000-1. First-party/internal auditors, those coordinating internal audit activities or personnel who are interested in monitoring the effectiveness of their organization's service management system SMS will find this course of particular value.

Second-party auditors will also find this course helpful, as will existing internal auditors who wish to refresh their skills.

Prerequisites: You should already have a good knowledge of ISO/IEC 20000-1:2018 and the key principles of an SMS. If not, we strongly recommend you attend our ISO/IEC 20000-1:2018 Requirements course.
