The Project Professional MBA

REF: P319 DATE: 28 October - 8 November 2024 Venue: London (UK) - Landmark Office Space Fee: 7950 Euro

Introduction:

The Project Professional MBA offers an intensive training program designed to enhance management skills and focus on contemporary best practices in project management. Participants will explore management principles and the project life cycle, drawing from the industry's gold standard outlined in the Project Management Institute's Guide to the Project Management Body of Knowledge PMBOK® Guide.

Program Objectives:

At the end of this program, the participants will be able to:

- Gain insights into successful team implementation and study strategic planning techniques to improve management performance.
- Develop negotiation skills and analyze the Baldrige Award criteria for excellence.
- Apply advanced scheduling techniques while understanding various project delivery systems.
- Enhance managerial and leadership skills.
- Handle proactive and reactive techniques for effective project management.

Targeted Audience:

- Team Leads.
- Program Managers.
- Business Analysts.
- Operations Manager.
- Product Managers.
- Aspiring Project Managers.
