Fundamentals of Marketing

REF: R2080 DATE: 29 July - 2 August 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction

This training program offers comprehensive insights into understanding customer needs and preferences. Participants delve into market research techniques and strategies for effective segmentation and targeting. They explore various elements of the marketing mix, including product development, pricing strategies, distribution channels, and promotional tactics. Throughout the program, emphasis is placed on practical applications and real-world case studies to enhance learning and skill development.

Program Objectives

By the end of this program, participants will be able to:

- Describe the fundamentals of marketing and how it relates to their organization.
- Use the marketing mix in their work and with their team.
- Recognize the variables that affect B2B and B2C client behavior.
- Describe how consumer behavior affects marketing strategies and purchasing decisions.
- List the benefits and drawbacks of each communication medium, then select the most powerful one for attracting clients.

Targeted Audience:

- Managers overseeing marketing teams or projects who want to enhance their strategic understanding of marketing concepts.
- Marketing coordinators or junior marketing executives.
- Entrepreneurs launching new ventures.
- Professionals in non-marketing roles seeking to understand marketing principles.
- Sales representatives aiming to complement their selling skills with marketing insights
