# Taxation of Pass Through Business Entities

REF: TR1918 DATE: 20 - 24 May 2024 Venue: Trabzon (Turkey) - Fee: 5300 Euro

## Introduction:

The taxation of pass-through business entities, such as Subchapter S corporations, partnerships, and limited liability companies, under U.S. federal income taxation is covered in this training program. It focuses on the requirements of Subchapters S and K of the Internal Revenue Code that apply to the creation, management, and dissolution of pass-through organizations, as well as the associated Treasury Regulations and judicial decisions.

## Program Objectives:

At the end of this program, the participants will be able to:

- Avoid double taxation.
- Simplify tax filing processes.
- Effectively manage and monitor business income.
- Gain expertise in partnership and corporate taxation, or advance LL.M. studies.
- Expand their professional practice into business entity taxation.

## Targeted Audience

- Members of the financial accounting team.
- Finance managers and employees in cost and management accounting.
- Budget supervisors.
- Experienced lawyers.
- Financial commitment and participants in the project.
- Members of the acquisition team and investment analysts.
