Managing Vendor Qualification and Performance with Contract Compliance

REF: P283 DATE: 4 - 8 November 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction:

Managing Vendor Qualification and Performance with Contract Compliance is a structured program to assessing and ensuring the quality and adherence of vendors to contractual agreements. It involves evaluating vendors based on predetermined criteria, monitoring their performance throughout the contract duration, and enforcing compliance with contractual terms and conditions. The program provides understanding of the high standards of vendor performance and maximize the value derived from vendor relationships.

Program Objectives:

At the end of this program, the participants will be able to:

- Conduct a thorough supplier evaluation process to assess capabilities and suitability effectively.
- Align customer requirements with appropriate supplier segmentation for optimal matches.
- Establish relevant performance metrics to gauge supplier effectiveness accurately.
- Utilize performance data for continuous improvement and operational refinement.
- Ensure an adequate selection of suppliers to facilitate a robust procurement process.
- Select top-performing suppliers objectively while maintaining fairness and impartiality.

Targeted Audience:

- Contracts, Procurement and Project Personnel.
- Engineering, Operational, Quality and Maintenance Personnel.
