# Social Media and Digital Marketing

REF: R1674 DATE: 5 - 9 August 2024 Venue: Singapore - Fee: 6325 Euro

## Introduction:

This dynamic training program designed to equip participants with the essential knowledge and skills needed to thrive in the rapidly evolving landscape of online marketing. Participants will explore the fundamentals of social media platforms, digital marketing strategies, and emerging trends in the field. The program emphasizes the integration of social media into broader marketing strategies, focusing on audience targeting, content creation, and engagement techniques across various digital channels. Participants will also gain insights into leveraging data analytics and performance metrics to optimize marketing efforts and achieve business objectives.

## Program Objectives:

By the end of this program, participants will be able to:

- Understand the fundamentals of social media platforms and digital marketing strategies.
- Learn how to create engaging content tailored to target audiences across digital channels.
- Explore techniques for building and maintaining an online presence to enhance brand visibility.
- Gain proficiency in leveraging data analytics to measure and optimize marketing performance.
- Develop strategic insights to effectively integrate social media into broader marketing campaigns.

## Targeted Audience:

- Marketing professionals seeking to enhance their digital skills.
- Business owners looking to expand their online presence.
- Social media managers responsible for brand engagement.
- Entrepreneurs aiming to leverage digital channels for growth.
- PR professionals interested in digital brand management.
- Freelancers offering digital marketing services to clients.
