Mastering Leadership and Management

REF: M120 DATE: 15 - 19 July 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction:

The Mastering Leadership and Management training program is a comprehensive course designed to equip participants with advanced skills in both leadership and management. Through a combination of theoretical instruction, practical exercises, and real-world case studies, participants develop the expertise and confidence needed to excel as leaders and managers in today's dynamic business environment.

Program Objectives:

At the end of this program, the participants will be able to:

- Recognize the distinctions between management and leadership skills.
- Enhance their confidence and proficiency in fulfilling their role's requirements.
- Understand how to motivate, influence, and effectively communicate with diverse individuals and teams.
- Demonstrate proficiency in essential aspects of authentic leadership, including building trust, articulating vision, fostering respect, and engaging in effective interpersonal communication.
- Possess the skills necessary to organize, motivate, and inspire work teams to operate with greater effectiveness.

Targeted Audience:

- Senior Leaders.
- Aspiring Leaders.
- Senior Manager.
- Middle Managers looking to increase their skill-set.
