Commercial and Business Contracts

REF: U828 DATE: 25 - 29 November 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

This Commercial and Business Contracts training seminar will provide participants a comprehensive understanding of procedures and practice related to the risks inherent in the formation and management of contracts. Through analysis of real-life examples, this Contract Management training program demonstrates how to manage contract risk effectively and to ensure contract negotiations and performance occurs quickly and efficiently. Contracts are valuable and useful tools for companies to maximize value for businesses and minimize the risk of loss or things going wrong. Businesses cannot continue to focus on pricing and key commercial terms alone.

Contracts are vitally important for any business. Understanding and managing contract risk is critical for companies and senior employees. The business and competitive advantages of managing contracts effectively produce significant benefits and a failure to fully understand risk related items in a contract can result in lost opportunities and costly disputes.

Course Objectives:

At the end of this course the participants will be able to:

- Analysis of the risks inherent in the formation and management of contracts
- Explain key contract provisions and provide instruction on how to manage contract risk effectively
- Interpret essential contract clauses and understand the specific terms and conditions
- Develop your ability to negotiate an effective contract to protect your corporation's interests
- Discuss where things can go wrong, and learn how to avoid problems, or mitigate their effects through well-drafted contracts and good management
- Recognize how to avoid disputes but be prepared to deal with them if they arise
