Talent Management & Development

REF: H1434 DATE: 30 September - 4 October 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

With the rise of the importance of integrated talent management systems, it is crucial that organizations design an effective and holistic talent management system; a system based on the company's strategic directive and integrated with other HR functions and processes. This course is designed to enable HR professionals to understand what talent management systems are, shed the light on associated tools, and design their own.

Course Objectives:

At the end of this course the participants will be able to:

- Design an integrated talent management system in accordance with company strategy.
- Develop competency frameworks to serve as the basis for talent review, acquisition, and development.
- Use valid tools and techniques to assess the potential of talents.
- Train, develop, and coach talents using a wide range of impactful development methods.
- Assess organizational readiness and develop a pragmatic road-map to establish an integrated talent management system.

Targeted Audience:

- Supervisors.
- HR managers.
- Talent management specialists with at least three years of corporate experience.
- HR team leaders.
- HR business partners as well as line managers.

Course Outlines:
