The Authentic of Leadership

REF: M2152 DATE: 2 - 6 December 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction:

The Authentic Leadership training program focuses on nurturing genuine leadership qualities rooted in honesty, integrity, and self-awareness. Participants engage in experiential learning activities designed to cultivate their authentic leadership style, emphasizing the importance of transparency, empathy, and ethical decision-making.

Program Objectives:

At the end of this program, the participants will be able to:

- Get the skills necessary to manage and supervise the establishment and upkeep of the organizational mission, vision, and values in their specific organizations.
- Promote understanding of the supervision and management of coordinating operational reality with strategic planning.
- Learn how to integrate the administration of mutually agreeable employee-driven value systems into the organizational culture.
- Guarantee the accomplishment of your organization's main goals, learn, and put into practice effective strategies for consistently eliminating nepotism and polarization inside the workplace.
- Learn to recognize and prevent typical mistakes while examining real-world applications that are already in existence.
- Gain knowledge of the Authentic Leadership methodology's concepts, procedure, and protocol as well as its potential and influence.
- Show an awareness of the key sources of the Authentic Leadership methodology and how it is applied to improve value extraction while streamlining organizational efficiency.
