Legislative Comparison between Special Economic Zones

REF: U2272 DATE: 5 - 9 May 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort, Fee: 3520 Euro

Introduction

Special economic zones SEZs are designated areas that offer special economic incentives to businesses, such as tax breaks, reduced regulations, and access to foreign markets. These incentives are designed to attract investment and stimulate economic growth.

Course Objectives

At the end of this course, participants will be able to:

- Understand the different types of SEZs
- Identify the key features of SEZ legislative frameworks
- Compare and contrast SEZ legislative frameworks in different countries
- Evaluate the effectiveness of SEZs in promoting economic growth
