Executive Leadership Management

REF: M1591 DATE: 2 - 6 September 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction:

The Executive Leadership Management program is designed to equip mid-level managers and experienced leaders with the essential skills and strategies needed to thrive in executive leadership roles. Through a comprehensive program covering leadership styles, strategic planning, team management, communication, and change leadership, participants will enhance their ability to lead effectively in dynamic and challenging business environments.

Program Objectives:

At the end of this program, the participants will be able to:

- Gain the insights to devise and implement an effective strategy in your organization
- Develop the confidence to operate outside your comfort zone
- Increase your ability to engage, inspire and influence
- Prepare for a more senior management role or professional challenge
- Develop effective, motivated, and innovative leaders
- Gain insights into the latest thinking on strategic business topics
- Build a strong leadership framework
- See a return on investment through Henley's collaboration with a learning partner in your organization.

Targeted Audience:

- Mid-level managers aspiring to executive leadership roles.
- Experienced leaders seeking to enhance their leadership skills.
- Professionals transitioning into leadership positions.
- Individuals responsible for leading teams or departments within organizations.
- Entrepreneurs and business owners aiming to develop effective leadership strategies.
