Drafting Contracts and Writing Scope of Work

REF: U846 DATE: 12 - 16 August 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

This course relies on the use of individual and group exercises aimed at helping participants learn all key contract management activities. The course also features the use of a number of case studies, presentations, and role-plays by participants, followed by discussions. In addition, this course incorporates pre-and post-testing.

Course Objectives:

At the end of this course the participants will be able to:

- Identify the essential elements of a contract and recognize the importance of the scope of work
- Outline the objectives of a contractual relationship and leverage them into requirements needed to develop the scope of work
- Plan and prepare a solid scope of work using outlines and templates
- Define contract building blocks and draft simple contract provisions
- Write the narrative of a contract as well as different contract parts using best practices
- Evaluate the impact of negotiating contracts on a well-written scope of work in the pre-award phase

Targeted Audience:

Personnel involved in drafting the scope of work and negotiating contract terms in order to ensure contract requirements are properly captured.
