Finance and Accounting for Office Administrators & Secretaries

REF: F2021 DATE: 1 - 5 November 2020 Venue: Kuala Lumpur (Malaysia) - Royale chulan hotel Fee: 4500 Euro

Introduction:

This program provides an introduction to finance and accounting for those who have no prior knowledge of this business area. It is designed to train the participants to support operational and financial processes. Those attending this course will gain a clear understanding of the essential terminology of finance and accounting. They will also learn the principles and techniques of accounting systems through practical examples and exercises.

The overall aim of the program is to ensure that those who attend will be able to perform more effectively and efficiently within the workplace.

Course Objectives:

At the end of this course the participants will be able to:

- Appreciate the importance of the accounting and finance function, and how it links with every part of the organization, and its suppliers, customers, shareholders, lenders, and society in general
- Understand commonly used finance and accounting terminology thereby allowing them to make a valuable contribution to the workplace in meetings or a supportive role
- Understand the principles of accounting for routine business transactions
- Summarise the results of business transactions over a while, and prepare simple financial statements, including the Income Statement, Balance Sheet and Cash Flow Statement
- Analyze and compare company performance using basic ratios
- Understand how costing and budgeting techniques can help the company to maintain efficiency and profitability
- Acquire skills and knowledge that will help their personal development within the organization
- Become more aware of the major issues facing their business
- Enable them to liaise effectively with line managers and other departments

Targeted Audience:

- Secretaries
- Office Administrators
- Personal Assistants and Executive Assistants
- Administrative Professionals and Support Staff
