Persuasive Selling

REF: R362 DATE: 9 - 13 September 2024 Venue: Amsterdam (Netherlands) - Fee: 5565 Euro

Introduction:

This program is a dynamic approach to sales that focuses on effectively communicating the value of products or services to potential customers. Through compelling arguments and persuasive techniques, sales professionals aim to influence purchasing decisions and overcome objections. This program emphasizes understanding customer needs and tailoring solutions that address their concerns while highlighting the unique benefits of the offering. By mastering the art of persuasive selling, individuals can build stronger customer relationships and drive increased sales success.

Program Objectives:

By the end of this program, participants will be able to:

- Develop proficiency in effectively communicating the value of products or services to potential customers.
- Acquire skills to build trust and credibility with potential customers through persuasive communication.
- Develop strategies to differentiate offerings from competitors and highlight unique value propositions.
- Learn to adapt persuasive techniques to various customer personas and sales scenarios.
- Gain confidence in presenting solutions that effectively address customer needs and objections.
- Explore ethical considerations in persuasive selling to ensure customer satisfaction and long-term relationships.

Targeted Audience:

- Sales professionals.
- Individuals in sales roles across various industries.
- Sales managers.
- Entrepreneurs and business owners.

Program Outlines:

Unit 1.
