International Financial Reporting Standards IFRS

REF: F1689 DATE: 1 - 5 July 2024 Venue: Trabzon (Turkey) - Fee: 5300 Euro

Introduction:

In a global and increasingly competitive environment, the need for effective and enforced Corporate Governance and International Financial Reporting Standards IFRS is all too evident.

This program establishes the Case for Corporate Governance and International Financial Reporting Standards by examining such inappropriate practices such as creative accounting, off-balance sheeting financing, and examples such as Enron and World Com among others.

This is followed by an evaluation and interpretation of financial reports prepared under IFRS.

Course Objectives:

At the end of this course the participants will be able to:

- Become aware of the case for Corporate Governance and International Financial Reporting Standards
- Identify the creative accounting methods adopted by companies when preparing their financial statements
- Appreciate the Lessons Learnt from accounting scandals such as the Enron and World Com cases
- Gain an understanding of the Structure of IFRS
- Become aware of the adoption of IFRS, Current Issues/IFRS Convergence Projects and the Problems of Convergence
- Present Financial Statements under IFRS
- Balance sheet: statement of financial position
- Income statement: statement of comprehensive income
- Cash flow statement: statement of cash flows
- Statement of changes in equity
- Statement of recognized income or expense "SORIE"
- Notes, including a Summary of the Significant Accounting Policies
