The Manager as a Strategic Leader

REF: ST16 DATE: 29 September - 3 October 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel, Resort,
Fee: 3520 Euro

Introduction:

More than ever before, implementing strategic improvement changes in an organization requires leaders who think and act strategically. To maintain competitiveness, work is becoming increasingly complex and sophisticated, but often strategic improvements are implemented by competent professionals who have little or no strategic leadership training. Modern organizations cannot afford anything less than competent management that leads to successfully implemented improvements. Establishing and maintaining personal and team leadership skills, creating productive work environments, and leading teams in strategic activities to meet goals is a challenging, every-day part of a strategic leader's life.

This course offers an opportunity to focus on the development and use of strategic leadership practices that allow for effective and efficient management of strategic improvements. It provides practical skills to take back to the job, along with insights needed to adapt principles to specific work environments.

Course Objectives:

At the end of the course the participants will be able to:

- Understand strategic leadership and its role in the implementation of changes.
- Gain greater skill in working in the role of a strategic team leader.
- Develop skills in strategic leadership techniques of creating a strategic change environment, planning, relationships, and communication.
- Understand the role of stakeholders in strategic leadership.
- Learn to utilize individual and team strengths to achieve strategic objectives.
- Develop communication and human interaction skills to implement strategic change.
- Develop techniques to deal with strategic organizational change.
- Learn techniques of strategic stakeholder assessment and management.
- Learn the techniques to deal with the human reaction to strategic change.
