# Intellectual Property and Trade Related Aspects of Intellectual Property Rights

REF: U1014 DATE: 22 - 26 July 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

## Introduction:

The real value of an organization's worth lies in the competitive advantage it has. Patents, Copyrights, trademarks, trade secrets and technical know-how constitute an important source of competitive advantage. These need to be secured, protected and safeguarded. WTO and TRIPS agreement imposes important responsibilities, liabilities, and opportunities in the way we Purchase, Procure, Develop, Research, License, and Implement Improvements. This program covers all these issues and directs your attention to the Systems you need to establish to protect your interests.

Tough Worldwide Patent Recognition and Enforcement is around the corner. Organizations and individuals are rushing to protect themselves from Patent Infringement Claims and to get their innovations patented in the hope of future earnings and protection of their interests.

Your organization's Liabilities about patents is set to increase dramatically in the coming years. Potential Claims may run into millions of dollars unless a strategy is worked out today to minimize exposure to Intellectual Property Claims.

You will get a thorough understanding of IP Laws, IP Regulations, IP Procedures, WTO, TRIPS, Contract Provisions, Contract Administration, Protection against Claims, and Negotiating Claim Settlements. You will get a step by step due to diligent methodology to Prepare your Intellectual Property Filing and understanding on how it will be examined and challenged.

## Course Objectives:
